## **ICG Joins CHIME Foundation as Associate Member**

EVANSVILLE, IN – Innovative Consulting Group, LLC (ICG) is pleased to announce that it has become the first Associate CHIME Foundation member firm in 2009.

The CHIME Foundation membership establishes ICG's status as a healthcare IT leader while providing ICG with the opportunity to network with more than 1,200 healthcare chief information officers (CIOs).

The decision to join CHIME will enable ICG to continue to successfully compete in the healthcare IT consulting marketplace and is an important step in the growth of the company. The company will be celebrating its 7<sup>th</sup> anniversary this spring and plans to actively participate in the CHIME-sponsored activities such as CIO Forums and focus groups. While providing leadership and professional development tools, the membership will offer ICG more effective ways to connect with peers in the healthcare industry and share information.

**ABOUT CHIME:** The CHIME Foundation was established in 1994 to allow providers of healthcare IS products and services the opportunity to support the educational initiatives of the College of Healthcare Information Management Executives (CHIME) organization.

CHIME was formed with the dual objectives of serving the professional development needs of healthcare CIOs and advocating the more effective use of information management within healthcare. CHIME's events and activities were designed to reflect that purpose, including CIO-oriented surveys, education programs, and networking activities. CHIME has established itself as the premier organization serving the needs of healthcare IT executives.
