## **ICG Becomes an Epic Certified Business Partner**

EVANSVILLE, IN – Innovative Consulting Group, LLC (ICG) is pleased to announce its status as an Epic Certified Business Partner.

Becoming an Epic Certified Business Partner establishes ICG's status as a healthcare IT leader while allowing ICG consultants the opportunity to access additional education and certification as required by Epic customers. In addition, the partnership provides ICG with access to the Epic Userweb, an outstanding source of information related to best practices and lessons learned from other Epic customers. The ability to access clinical content for multiple specialties as well as examine case studies and white papers will provide beneficial to ICG's customers.

Wayne Kinney, CEO of Innovative Consulting Group, stated “the Epic Certified Business Partnership will enable ICG to continue to successfully compete in the healthcare IT consulting marketplace and is an important step in the growth of the company”. The company celebrated its 7<sup>th</sup> anniversary this spring. While providing leadership and professional development tools, the partnership status will offer ICG more effective ways to connect with peers in the healthcare industry and share information.

**ABOUT ICG:** ICG was founded in 2002, by CEO, Wayne Kinney. ICG provides healthcare IT consulting services primarily in the Siemens® Medical Systems and applications, McKesson® systems and software applications, Cerner® systems and software applications, Epic® systems and software applications, data center consolidation, system integration and general project management services.
