ICG Introduces New Director of Business Development

EVANSVILLE, IN – Innovative Consulting Group, LLC (ICG) introduces new Director of Business Development, Mike Meyer.

Jerry Morgan, Vice President of Business Development, is pleased to announce that Mike Meyer has joined Innovative Consulting Group as Director of Business Development. Mike is responsible for managing consultant opportunities with potential and existing customers in the Southeast region of the U.S.

Bringing over thirty years of industry experience to ICG, Mike's experience includes marketing and advising clients with a variety of consulting services related to applications and technology infrastructure. Recently, he was a Regional Vice President for ACS Healthcare Solutions (Superior Consulting) where he distinguished himself by leading marketing efforts to establish new relationships with multiple new business partners.

Mike lives in the Northern Kentucky, greater Cincinnati area. He is a graduate of Morehead State University in Morehead, Kentucky where he received a B.S. in Business Administration along with a B. A. in Psychology. He also has an Associates Data Processing degree from Northern Kentucky University in Highland Heights, Kentucky.

ICG was founded in 2002, by CEO, Wayne Kinney. ICG provides healthcare IT consulting services primarily in the Siemens® Medical Systems and applications, McKesson® systems and software applications, Cerner® systems and software applications, Epic® systems and software applications, data center consolidation, system integration and general project management services. Additional information about ICG is available at www.InnovativeCG.com.
