ICG Introduces New Cerner Practice Director

EVANSVILLE, IN – Innovative Consulting Group, LLC (ICG) introduces new Cerner Practice Director, Robert Smith.

Jerry Morgan, V.P. of Business Development, is delighted to announce that Robert Smith has joined Innovative Consulting Group in the role of Cerner Practice Director. Robert will be responsible for engagement management for Cerner customers, sales support, and the continued growth of the Cerner Practice. As a Healthcare Information Systems professional, Robert has over 25 years experience in project and operation management, business development and consulting with client implementations and vendor software. Most recently, Robert held the position of Regional Vice President at Emergisoft Corporation in Arlington, Texas. Prior to Emergisoft Corporation, he was employed at ACS-HCS (formerly Superior Consultant) in Southfield, Michigan where he provided Executive leadership and management for several implementation projects. Additionally, Robert has extensive experience with the Cerner Corporation as a Client Executive and Project Manager along with 10 years of experience as the Director of Information Services at a 289 bed hospital in Jacksonville, Florida.

ICG was founded in 2002, by CEO, Wayne Kinney. ICG provides healthcare IT consulting services primarily in the Siemens® Medical Systems and applications, McKesson® systems and software applications, Cerner® systems and software applications, Epic® systems and software applications, data center consolidation, system integration and general project management services. Additional information about ICG is available at www.InnovativeCG.com.
